### Course summary

The Open University has joined forces with MoneySavingExpert (MSE) to produce this new free course to give you the skills and knowledge to master your finances. Packed with videos, audios, quizzes and activities the course covers all the key aspects of personal finance in six sessions of study that each take around two hours to complete. This statement serves as proof of the successful completion of a course accredited by the CPD Standards Office. You have earned 12 CPD points through your participation in this course.

### Learning outcomes

By completing this course, the learner should be able to:

- budget effectively and know how to make good spending decisions
- understand how income is taxed
- understand how and when to borrow money responsibly
- understand savings and investment products – including their different risks
- plan for retirement and know what to do if a projected pension is insufficient.

### Completed study

The learner has completed the following:

#### Session 1

Introduction and guidance

Session 1: Making good spending decisions

#### Session 2

Session 2: Budgeting and taxation

#### Session 3

Session 3: Borrowing money
